Late entries must be submitted to the Competition Secretary Doug Clark before 4:00 pm on Wednesday, Feb 15th, 2017, with full payment, including the late entry penalty fee of \$50/race. Late entries will forfeit the right to seeding.

All race participants must fill out the Event Waiver as they register online with Zone4. Confirmation lists will be posted at Zone4 and the Nordic Ski Club web sites. Any errors on the confirmation list must be reported to the Competition Secretary.

### **OUA ENTRANTS**

In order to tabulate OU results, OUA participants **must identify their University at the time of online registration.**

### **ELIGIBILITY**

All competitors from Juvenile and up must have a valid CCC Race License or must purchase a Supporting Member Day License (SMDL) for each race. A SMDL can be purchased at the time of online registration for a fee of \$5/race. Eligibility is CCC but also FIS or a non-Canadian National Ski Association (ie USSA).

Waivers must be completed for all unlicensed skiers and received by the Competition Secretary at the latest by the 4 pm Coaches Meeting Friday, February 17, 2017.

Para Nordic GUIDES do not require a license if the B1-B3 skier for whom he/she is guiding has purchased a transferrable VI license when they registered for their own CCC license as outlined on the Racing License form. If the B1-B3 skier is not a CCC licensed skier, both the PN athlete and the guide (unless the guide is a licensed skier) must purchase the Day License for each day of racing.

### Sunday, February 19, 2017

10:00 am start – weather permitting.
- **Alternative plan in the event of cold:**  
Because of the length of time required to run a King's Court event – which including the qualifying race and with heats starting every 2 minutes can easily exceed 6 hours in duration (varies with number of participants), if air temperatures at 9:00 a.m. on race day are not warmer than -16°C, the King's Court event will be replaced by a conventional elimination sprint event.

**AWARDS:**

Results will be posted on the official notice board located on the outside east wall of the chalet, and will also be available online at [www.zone4.ca](http://www.zone4.ca). (Exception: Since the King's Court race event is not administered within Zone4's software formats, sprint results will be posted on the club's web site at [www.temiskamingnordic.ca](http://www.temiskamingnordic.ca)) Awards will be based on unofficial results so they can be presented as soon as possible. Awards will be presented 20 minutes after the completion of the morning races, and 20 minutes after the completion of the afternoon races, while the Monday awards will be presented after the races are finished. All the awards will be presented at the chalet.

Waxing areas will be available on site in the heated and ventilated garage at the club.

**RACE COURSES**

Maps will be available online at the [www.temiskamingnordic.ca](http://www.temiskamingnordic.ca) web site and posted at the chalet.

**FIRST AID**

Emergency Medical Services will be available on site. The Temiskaming Hospital is a 15-minute drive north from the Temiskaming Nordic Ski Club.

**RACE OFFICE AND BIB PICK UP.    Office location:** Adjacent to Ski Club Chalet

Hours: Friday February 17, opens at 3:00 p.m.

Saturday February 18, Sunday February 18 & Monday February 19 -- opens at 8:00 a.m.

A racer that does not return their bib at the end of a race will be charged a \$75 replacement fee that must be paid prior to another start being granted.

**WAXING PROTOCOLS:**

Space for waxing in the garage will be assigned. The wax room is a designated Work Zone and when active (when irons are in use) proper personal protection equipment (PPE) must be in use by all persons in the area.

Ontario has adopted a 'No Fluoro/Low Fluoro' waxing guideline. The recommended glide waxing protocol for classic events and midgets and younger categories is as follows:

- Use of Non-Fluoro (NF) or Low Fluoro (LF) glide waxes only
- High Fluoro (HF) or Medium Fluoro (MF) glide waxes, including HF or MF powders, pucks, blocks and liquids are **not** permitted
- Cold weather powder additives and hardeners are **not** permitted

Adherence to this protocol is self-governed and is the responsibility of coaches, parents and wax technicians.
